

As Lindsey came down the hill, she had a huge lead. Her closest competitors were not even in the same picture with her. The gold medal was all but wrapped up. All that was left to do was to cue up the National Anthem and raise the American flag for the medal ceremony.

But wait...on the next to the last jump, within site of the finish line, Lindsey admitted to getting caught up in the emotion of her inevitable win, so she did a little "showboating." Instead of doing a normal jump, she reached down, grabbed her board, and did a little celebratory twist.

Then the unthinkable happened. Lindsey Jacobellis fell! By the time she was able to get back on her feet, she was passed by a (Swiss) competitor, and had to settle for the silver medal.

Personally, I felt terrible for her. All that training. All that hard work. The gold medal within her grasp. Then a little "hot-dogging" and it was over. Just like that!

As heartbreaking as this may be, I can't imagine how heartbreaking it will be for those who have eternal life within their grasp, then through pride, carelessness, or rebellion, end up forfeiting their "crown of life."

Please don't spend your life preparing for heaven, then just before arriving at the finish line, throw all your training away. Remember the words of Paul, "Therefore let him who thinks he stands, take heed lest he fall" (1 Corinthians 10:12).

Youth Ministry

Jesus said, "Let the children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."
(Matthew 19:14 NIV)

Greetings from the Youth Ministry of the Church of Christ West End! The members of the Youth Ministry have structured a program which is held at the church building every Friday night from 7---10 p.m. We aim to encourage, teach, build character, and relationships with children of all ages through various methods in the hopes of producing productive, goal-driven children.

The Youth Program provides a different activity each week such as games, arts & crafts, movies, and cooking, just to name a few. We also provide food, drinks and snacks at no cost.

Each month we choose a "Student of the Month" based on positive characteristics and qualities that the youth portray. We also give an award for inviting the most guests each month. Each quarter we have a prize presentation for various acts that the children do. One of our goals with these awards is to provide encouragement to help promote positive self esteem amongst our youth.

We encourage your comments and welcome you to stop by and see us in action!. Should you have any questions at all, please feel free to contact us at any time.
