While gathering the votes, the teacher noted that one student had not finished her paper yet. So she asked the girl if she was having trouble with her list. The girl replied, "Yes, a little. I couldn't quite make up my mind because there were so many."

The teacher said, "Well, tell us what you have, and maybe we can help." The girl hesitated, then read, "I think the 'Seven Wonders of the World' are:

1. To See
2. To Hear
3. To Touch
4. To Taste
5. To Feel
6. To Laugh
7. And to Love.

The room was so quiet you could have heard a pin drop. The things we overlook as simple and ordinary and that we take for granted are truly wondrous! The most precious things in life cannot be built by hand or bought by man.

The month of June was very exciting! We had five weeks of learning and fun. The journey has just begun.

The first week we had a Bible lesson based on respect. Week two the children made Fathers's Day cards as our Benevolence activity. Week three was Visitor Week. Bro. Lloyd Burchall from the Bermuda Fire Service gave a Dynamic presentation, which included film footage of local fires. It was a real eye opener for the children as well as the adults! Week four was craft night and the children made world cup flags. Week five was our monthly awards, games and birthday night. Star students of the month were Courtney Moniz and Sajan Harvey.

We appreciate your continuous support of this program, which is held between the hours of 7 p.m. and 10 p.m. sharp.

May God be with you and your children until our next letter.  
May God bless you and keep.
